Greetings,

We are excited to introduce **Versapay**, our new online customer portal!

With our customer portal, you will experience many benefits such as:

- Email notifications for new invoices with PDF attached.
- One-click access to invoices and supporting documents.
- Ability to pay invoices online in a safe and secure environment.
 - Setup your bank account and/or credit card.
 - Setup autopay and schedule payments.
- Online communications for any questions or concerns on invoices.
- 24/7 access to your account activity and history.
- Email notifications for statements with PDF attached – COMING SOON!

***** Emailed Invoices Only *****

If you do not wish to “utilize” the portal, we can still send an invitation to your email which will automatically enroll you in emailed invoices – no more waiting on the mail for your invoices!

You can also utilize “Quick Pay” right from the emailed invoices without logging into the portal.

To register for our customer portal, visit <https://secure.versapay.com/payables/croell/signup> and follow the prompts. Link can also be found on our website www.croell.com under Customers - Customer Portal Sign Up.

Alternatively, you can contact our AR Department at 641-229-8100 and we can send an invitation.

Thank you – WE look forward to serving you!
